### FOR GUESTS TAKING THE SAN BLAS ISLAND TOUR:

- It is preferable to travel in beach wear to fully enjoy your tour. Depending on weather conditions, there is a good chance you will get wet with some ocean spray. Your luggage will be covered.
- Please let us know before hand if you don't eat fish or seafood for your picnic lunch.
- You will start your tour by visiting a local village where you will be served breakfast, see the local life style, culture, handicrafts and beautiful molas.
- From that village, you will be taken to the private island of Waily Dup, where you will enjoy the balance of the morning relaxing on the beach or in hammocks, swimming, snorkeling and your picnic lunch.
- The islands do have sand flies, so it is good to have repellent as well as sun screen.
- Coral lodge provides the beach towels and snorkeling gear.
- Non-alcoholic beverages are included.
- Our boat will arrive just after lunch for your transfer to Coral Lodge.
